Our Clerk referred this to BSS's online service portal with an sR of: 1-343186661

They should expedite this since it involves a stop sign, let me know if nothing happens and I'll try another contact for them.

Dear Chris:

I submitted a request to have the trees trimmed on Willoughby due to the visibility issue of the stop sign. This is the service request number.

Just to let you know, I ran the stop sign because I could not see it due to the tree overgrowth.
